**Halloween** is a holiday that is celebrated on the 31<sup>st</sup> of October. In the past, it was a pagan\* festival. People thought it was

possible to contact dead spirits. Nowadays, Halloween is more about having fun. Children dress up in costumes and go knock on the doors of their neighbours to collect candy or small gifts. This is called trick-or-treating. Adults also dress up, typically as scary monsters, and have costume parties. Finally, families celebrate together by decorating their house. They usually carve\* pumpkins, called jack-o'-lanterns, cut faces into them, and put a candle inside. It comes from an old tradition when people placed these pumpkins in front of their houses to scare away ghosts. Another popular Halloween activity for the whole family is apple bobbing. It is a game in which people fill a tub\* with water and try to catch floating\* apples with their teeth.

pagan ['peɪɡən] – pohanský
